It's my turn in front of the camera today and I'm ready to rock it. I shaved carefully down there and brushed my teeth three times. OK, I was nervous. But when we started filming and having sex, it all left my mind and I focused on his cock, which was very nice and stayed hard throughout the day.

B04-BLAIR

Smells like Coconut

I drove home from work in a state of high excitement. Not even the gloomy weather could wipe the smile from my face. Married life was great. Brenda and I had tied the knot less than a month ago and things couldn't have been better, especially in the sack where we spent most of our free time.

I had heard that newlyweds fucked like rabbits. And it was true.

Brenda and I couldn't get enough of each other. We screwed first thing in the morning, screwed during lunch, screwed at night. No location was off limits. Kitchen. Bathroom. Laundry room. Hell, we had even balled in the backyard. As for sexual positions—well, we had pretty much tried them all.

All this to say that I was eager to get home and fuck my wife's brains out. Imagine my disappointment upon opening the door and finding Brenda resting on the couch with an icepack on her head.

"Migraine," she said.

"You felt fine this morning," I replied.

"It started right after lunch."

"Damn."

"Sorry, babe. No sex tonight."

Wearing her pajamas and covered with a blanket, she

looked comfortable, but I knew she was anything but. Migraines are the absolute worst.

"Do you need anything?" I asked.

"Tylenol," she told me. "We're all out."

"No problem. I'll go to the drugstore."

"You're the best."

"I try."

I kissed her forehead and left her there on the couch. Shit, I thought. Our hot streak had come to an end. Of course, this was bound to happen sooner or later. Marriage wasn't all fun and games; it took dedication, hard work, sacrifice . . .

The drugstore was a short drive from our apartment. The pharmacist, Jerry Dawkins, was conspicuously absent when I entered the store. I had never set foot inside the place when he wasn't standing behind the counter in his white coat.

Jerry's replacement, an attractive young lady with beautiful chestnut hair, looked up from her magazine and greeted me with a warm smile. Probably a college student, I thought, earning some extra cash. My plan had been to grab the Tylenol and return home pronto. That plan had changed. The chestnut-haired fox had everything to do with this.

I grabbed a shopping basket and strolled the aisles leisurely, stealing glances here and there as I did so. She stood behind the counter, which prevented me from seeing her body. Her face, however, was a perfect 10. If only she would come out from behind that damn register . . .

She must have read my mind. No sooner had the thought bloomed in my mind than she lost interest in her magazine and walked to the rack for a different one. This gave me an unencumbered view of her figure as I pretended to look at a display of analgesic balm.

She was a knockout.

Her tight-fitting sweater and hip-hugging, knee-length denim skirt accentuated her mouth-watering attributes. I got hard just looking at her. Meanwhile, she had selected a new magazine, which she chose to peruse right there at the rack instead of returning to her station behind the counter.

I should have felt bad about what I was doing. Brenda would have been furious. But Brenda wasn't here. And what was the harm? A man can look all he wants, just so long as he doesn't touch the merchandise.

The chestnut-haired beauty looked up from her magazine, catching me ogling her. There was no point in looking away. I was busted.

She smiled coyly. "Can I help you find something?"

I said the first thing that popped in my mind. "Suntan lotion . . ."

"Sure," she said, placing her magazine on the rack. "Right over here."

It was early winter, a strange time to be buying suntan lotion, but she didn't bat an eye as she showed me several different brands.

"Going on a trip?"

"Yes," I lied. "Jamaica."

"Lucky you."

Looking at her up close, I noticed her resemblance to Jerry. No doubt she was his daughter.

"How's your dad?" I asked her.

"He's fine," she said, explaining that he had gone home early and was letting her close tonight.

She was eighteen, maybe nineteen. I was twenty-three. Not many years, but I felt a gulf between us all the same. Our lives were vastly different. Hell, I was a married man with a fulltime job. She probably still lived at home. I wondered if she had a boyfriend. If so, he was one lucky bastard.

"I'm Clarissa," she said.

"Heath," I told her.

"Nice to meet you."

"Same here."

I gaped at her tight, denim-wrapped ass as she returned to the counter. Clarissa knew I was looking at her. The little tease was performing for me, putting a little oomph in her walk. Make that a lot of oomph. My cock was uncomfortably stiff as it tried to punch a hole in my pants.

Having paid for the suntan lotion and Tylenol, I bid Clarissa adieu and returned to my car.

But I didn't drive straight home.

I pulled to the side of the road not far from our apartment, whipped out my dick, and slathered it with a liberal amount of the creamy lotion. Then I jerked off, pumping my pecker like a man possessed, which wasn't far from the truth. Young Clarissa Dawkins had turned me on something fierce, taking up residence inside my head which pulsed in tandem with my throbbing cock.

I cried out loudly, blowing a massive load all over the steering wheel. The car smelled of fresh cum, buckets of

the stuff. I plucked some tissues from the glove compartment and wiped the wheel clean.

It started to drizzle as I drove the rest of the way home. I turned on the wiper blades. The weatherman's measured voice emanated from the radio, telling me that, in addition to heavier rain, temperatures were expected to plummet into the teens.

We were in for a bone-chillingly cold night. Brenda's migraine couldn't have come at a worse time. I needed her hot pussy more than ever . . .

"You're a doll," she greeted me when I got home.

Her comment filled me with guilt, making me feel like a real louse. I had just rubbed one out while fantasizing about the pharmacist's nubile daughter. Not exactly what a model husband does while his wife is laid up on the couch with a debilitating headache.

I was extra nice to Brenda for the remainder of the night, waiting on her hand and foot. This made me feel somewhat better about myself, especially when Brenda's pain subsided enough for her to eat and I fixed her a ham and cheese sandwich.

"Thank you, honey," she said after cleaning her plate. "That hit the spot."

"How's your head?"

"Better."

I searched her face. "Good enough for sex?"

"Maybe. We'll see."

Maybe wasn't a yes, but it was a hell of a lot better than a no. At least the door wasn't completely closed. I had a chance, however remote, of getting some nookie. I took Brenda's plate to the kitchen, washed it, and placed it on the dishrack to dry.

I returned to the living room to find the couch empty. Assuming my wife had gone to the bathroom, I pushed her blanket aside and sat down to watch some TV. Moments later, Brenda entered the room wearing her robe. But she didn't join me on the couch; she just stood there staring at me . . .

"You okay?" I asked her.

Brenda didn't say a word. She did, however, take off her robe and let it fall to the floor. My heart spiked as I regarded my wife's naked body.

"Somebody's feeling better," I stated the obvious.

"I still have a slight headache," she replied. "Think you can fuck it away?"

"I can try."

Next thing I knew Brenda was on the carpeted floor crawling toward me. Her movements were graceful and titillatingly slow as she closed the gap between us. She licked her lips lewdly; this before unzipping my fly and freeing my cock.

Crouched between my knees, she lowered her head and proceeded to blow me. Brenda gave great head. Nice and sloppy. Just the way I liked it. She ran her tongue up the length of my shaft, ballbag to glans. Then she devoured me in earnest, taking me in her mouth and sucking my cock as if her life depended on it.

I marveled at her oral skills, a contented smile spreading across my features as her head bobbed in my lap. She moaned around my member, moaned and slobbered. Suddenly, she stopped. Brenda raised her head and looked me straight in the eye.

"Your cock," she said, "smells like coconut."

I admitted to rubbing one out on my way home from the drug store. Of course, I didn't say a word about Clarissa. Brenda listened with rapt attention.

"I didn't think we were going to have sex tonight," I explained further. "I was horny as hell, baby."

"Why the suntan lotion?"

"It was on sale," I lied. "Does it taste bad?"

"No."

"I'll wash it off if—"

"It's fine," Brenda said, tugging my pants the rest of the way down.

She rose from the floor, straddled me, and lowered her slender hips. I was so hard she didn't even have to use her hand to guide my cock inside her. Brenda's big natural tits bounced as she rode me. The wondrous sight of those mammoth jugs never failed to excite me. I swelled inside her frenziedly pumping cunt, growing longer and harder by the second.

My wife rode me hard, rode me until I was oh so close to having my second orgasm of the night. Sensing my impending release, she climbed off my lap and once again

crouched on the floor between my knees. Brenda stroked me with a deft hand, tugging my turgid tool while licking my balls.

Orgasm number two put my earlier one to shame. My dick twitched and pulsed, shooting a gargantuan load of jizz all over my wife's big tits.

"How's your head?" I asked later that night as we lay in bed.

"Great," Brenda said. "No pain at all."

"I'll send you the bill."

I'm proud to say that Clarissa had never entered my mind while I fucked my wife. Apparently, my roadside tug-job had been enough to purge the teen temptress from my system. But that's not all it did. Oh no.

It also gave Brenda an insatiable craving for coconut, which she had always hated before smelling it on my cock!

KAYLA QUINN

For someone who got a late start in the lovemaking field, Kayla sure made up for it. This shoot was several months after her new breasts; and she told us she had been fucking almost every night since. But after all that, she said she saved anal just for this shoot.

Celebrating With My Divorce Attorney

It felt surreal holding the divorce papers in my hands. Two years of turmoil and tears had finally come to an end. For the first time in over a decade, I was officially single again. I knew I had to thank Phoebe Stan-

I handed her the gift. "It's been a long road, but I couldn't have done it without you." Phoebe smiled as she took the offering.

"You're welcome, Sarah. It's been my pleasure." Checking her watch, she glanced back up at me. "Why don't we open it and share a glass together? I think we've both earned it." I nodded enthusiastically, watching as she retrieved two plastic cups from a drawer and poured us each a drink. We clinked glasses, settling on the leather couch overlooking the window to sip our wine and chat. As the alcohol worked its way through me, I found myself opening up to Phoebe past our usual small talk.

"I'm excited to start dating again, to rediscover what I like and don't like. But..." I trailed off, biting my lip nervously. "I'm a bit intimidated, to be honest. It's been so long, and I've never really dated women before. What if I'm terrible at it?" Phoebe placed a comforting hand on my knee. Her touch caught me off guard.

"You'll do just fine," she assured me. "Just be yourself and I'm sure you'll have women falling at your feet in no time."

As we spoke, Phoebe inched closer, her hand never leaving my

ton, my attorney, so on my way to her office I picked up an expensive bottle of red wine. Phoebe greeted me warmly, ushering me into her spacious office. The sun was setting outside, it cast a warm glow over sleek furniture.

"What brings you by?" she asked. I held up the bottle of wine.

"I wanted to thank you properly for everything you've done for me,"

thigh. My heart raced when she finally leaned in. I knew what was coming, but I was still shocked when her lips met mine. It was the softest kiss I'd ever received. She started out hesitant until I returned the affection with equal fervor. Cups of wine were set aside and forgotten. Phoebe deepened the kiss. Her fingers tangled in my hair, tilting my head back as her tongue delved into my mouth. My own hands came up to grip her crisp white blouse.

We undressed each other slowly, savoring every inch of newly exposed skin. Phoebe's breasts were full and topped with brown nipples that hardened under my touch. A thin strip of neatly trimmed hair drew my gaze down to her pussy. Phoebe pushed me back onto the couch, settling between my spread thighs. She leaned in and dragged her tongue up my folds then rolled it around my clit. I gasped, shocked by the intensity of the sensation. Phoebe lapped at my clit, alternating between light, teasing touches and strong flicks across sensitive nerves.

"Oh god, Phoebe," I cried out. "Don't stop, please don't stop!" I begged, my hips bucking wildly as she drove me closer to my release. Finally, I came undone. My body trembled, riding the waves of pleasure as they coursed through me. When the intensity ebbed, I tugged at Phoebe's hair. She crawled over me, chin slick with my juices. Pulling her into a kiss, I tasted myself on her tongue. I palmed her tits, thumbs running across her nipples while she pressed her hips against mine.

Turning us over so that I leaned over her curvy figure, I trailed kisses down her neck and over her stomach. Only stopping once I reached the neat strip of hair leading the way to her wet folds. Nervous but

eager, I dove in. Phoebe moaned, a long, low sound of pleasure that made my clit throb with sympathy. I licked and sucked, trying to remember everything she had done to me, determined to make her feel just as good. I swirled my tongue around her clit, flicking the sensitive bud rapidly. Phoebe's hips rocked against my face as I ate her out.

"Yes, just like that," she panted, her thighs trembling. "Don't stop, Sarah. Make me come!" I doubled my efforts, sucking her clit and sliding two fingers inside her. Curling

squirted her release. I lapped it up greedily, savoring the reward for a job well done. As her spasms subsided, I kissed my way back up her quivering body. Phoebe pulled me into a kiss.

"That was incredible," she said. "I told you that you had nothing to worry about. You're a quick learner."

"Well, I could still use a bit more practice," I bit my lip looking at her.

"Let me help you out with that, then," she winked.

- Sarah, still practicing

them up, I knew I'd found her g-spot when she squeezed my head between her thighs. Phoebe's moans grew louder, more urgent. I didn't hear her warning through the muffling of her legs wrapped around my head. Just felt her squeeze my fingers and gush onto my face as she

She started out hesitant until I returned the affection with equal fervor. Cups of wine were set aside and forgotten.
